FOLLOW DIRECTIONS CAREFULLY.**

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans & Domestic Animals:**

**WARNING:** Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Wear protective eyewear. When using this product, wear long-sleeved shirt, long pants, socks, shoes, chemical resistant gloves and protective eyewear. Harmful if swallowed or inhaled. Avoid breathing spray mist. Avoid contact with skin. Avoid contact with skin.

After using this product, rinse gloves before removing, remove clothing and launder separately before reuse. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove saturated clothing as soon as possible and shower.

**FIRST AID**

<b>If in eyes:</b>	<ul style="list-style-type: none"> <li>• Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li> <li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
<b>If swallowed:</b>	<ul style="list-style-type: none"> <li>• Immediately call a poison control center or doctor.</li> <li>• Do not induce vomiting unless told to do so by the poison control center or doctor.</li> <li>• Do not give <b>any</b> liquid to the person.</li> <li>• Do not give anything by mouth to an unconscious person.</li> </ul>
<b>If inhaled:</b>	<ul style="list-style-type: none"> <li>• Move person to fresh air.</li> <li>• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul> <p style="text-align: right;"><i>(cont. on next column)</i></p>

**FIRST AID (cont.)**

<b>If on skin or clothing:</b>	<ul style="list-style-type: none"> <li>• Take off contaminated clothing.</li> <li>• Rinse skin immediately with plenty of water for 15-20 minutes.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
<p>Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-877-800-5556 for emergency medical treatment advice.</p> <p><b>NOTE TO PHYSICIAN:</b> Contains petroleum distillates — vomiting may cause aspiration pneumonia.</p>	

**ENVIRONMENTAL HAZARDS:** This product is toxic to fish. Drift or runoff may adversely affect nontarget plants. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinsate. Apply this product only as specified on this label.

**Physical or Chemical Hazards**

Combustible. Do not use or store near heat or open flame.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not allow people (other than applicator) or pets on treatment area during application. Do not enter treatment area until spray has dried or dust has settled.

**STORAGE & DISPOSAL**

**PESTICIDE STORAGE:** Store in original container in a locked storage area inaccessible to children and pets. Do not store near food or feedstuffs. To prevent cross-contamination, do not store near fertilizers, insecticides, fungicides, or near seeds. Do not contaminate food or feedstuffs.

**PESTICIDE DISPOSAL:** Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** **If empty:** Do not reuse this container. Place in trash or offer for recycling if available. **If partially filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**USE PRECAUTIONS**

Care must be taken that none of this herbicide falls on flower beds or edges of lawns. Do not spray roots of desirable trees, shrubs or grape vines. Never use a weed killer sprayer or equipment to apply insecticides or fungicides. Do not use same spray equipment to apply insecticides or fungicides. Do not use same spray equipment for other purposes. Avoid spray drift to vegetables, flowers, ornamentals or other desirable plants. Do not use fine mist sprays. Coarse sprays are less likely to drift from target area. Do not apply this product in a way that will contact other persons, either directly or by drift.

Do not allow spray to drift from the application site and contact people, structures people occupy at any time and the associated property, parks and recreation areas, nontarget crops, aquatic and wetland areas, woodlands, pastures, rangelands, or animals. Apply only when wind speed is not more than 10 mph. For sprays, apply largest size droplets possible.

**NOT FOR USE ON LAWNS . . . KILLS GRASS**  
**Read Precautions First!**

1. Mix ¾ to 1 pint of Vegemec® Vegetation Killer per gallon of water in sprayer or sprinkler applicator. Apply one gallon of spray mixture per 100 square feet.
2. If sprayer is used, work at lowest possible pressure and use large nozzle orifices to give large droplets. On scattered weeds wet all foliage to the soil. Full wetting is essential for good control. New shoots from deep-rooted perennials such as Canada thistle and milkweed may require retreatments.
3. Make application when weeds are young and actively growing. Action is slow if ground is dry or plants wilted.

4. Apply along fence lines, gravel drives, patio blocks, and around buildings where no growth is desired. Kills grass and broadleaf weeds. Do not use on lawns. Some species such as oxalis may not be completely killed. Annual weeds may sprout from seed 3 to 4 months following treatment. Tall weeds should be cut first as the dead foliage is a fire hazard.
5. Activity is apparent on plants in a few days but kill by root absorption may take 2 or 3 weeks. The spray mixture is white and any skips are noticeable so that complete coverage is easy to obtain.

**LIMITED WARRANTY AND DISCLAIMER  
TO THE EXTENT PERMITTED BY LAW**

The manufacturer warrants only that the chemical composition of this product conforms to the ingredient statement given on the label, and that the product is reasonably suited for the labeled use when applied according to the Directions for Use.

**THE MANUFACTURER NEITHER MAKES NOR INTENDS ANY OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WHICH ARE EXPRESSLY DISCLAIMED.** This limited warranty does not extend to the use of the product inconsistent with label instructions, warnings or cautions, or to use of the product under abnormal conditions such as drought, excessive rainfall, tornadoes, hurricanes, etc. These factors are beyond the control of the manufacturer or the seller. Any damages arising from a breach of the manufacturer's warranty shall be limited to direct damages, and shall not include indirect or consequential damages such as loss of profits or values, except as otherwise provided by law.

The terms of this Limited Warranty and Disclaimer cannot be varied by any written or verbal statements or agreements. No employee or agent of the seller is authorized to vary or exceed the terms of this Limited Warranty and Disclaimer in any manner.
